

# West Bay to Bridport

## Brit Valley Walk

- Head west over the bridge passing the Riverside Restaurant on your right, then turn right to the caravan park entrance. Continue on the path through the caravan park to the north end where there is a gate.
- Continue along a well-marked path, under the bypass and along the river to the road by Palmers Brewery.
- Cross this road into the car park and follow the path along side the river to a bridge across the river. Take this and follow the path up to the church on the Bridport main street.
- From here walk up through the town to Bucky Doo Square and the Town Hall.
- Return to West Bay can be by walking the same route in reverse or by taking the bus. Bus stops can be found at the Bridport Bus Station and on East Street near Waterstones.

Two different views, east and west, created by ancient movement in the geology. Layers moved up and down next to one another on a faultline beneath West Bay. Follow the river that carved its way along this natural weakness, creating opportunities for the community that grew to flourish here.
