

## North Dorset Trailway Network:

The Trailway runs along or close to the course of the old Somerset and Dorset Railway, currently from Sturminster Newton along the beautiful Stour Valley passing through Blandford to Spetisbury. The Trailway provides traffic-free routes for recreation, fitness and tourism for walkers, cyclists, equestrians and mobility scooter users. The Trailway is helping to make Dorset a safer and cleaner county and helping to combat global warming. The Trailway is managed by Dorset Council.

For an interactive map and more details on the attractions along the trailway, visit our website <http://www.northdorsetrailway.org.uk/>

**North Dorset Trailway Network** is a charity run by its members and trustees as Friends of the Trailway to support the development of the Trailway.

**Contact us and become a Friend of the Trailway:** There are contact and membership application forms at [www.northdorsetrailway.org.uk/contacts.html](http://www.northdorsetrailway.org.uk/contacts.html) , you can email [ndtnsec@gmail.com](mailto:ndtnsec@gmail.com) or you can write to:
