

Nature Buddies

Connecting **people**
with their landscape

Love nature and helping others? Join the Nature Buddy Network!

Becoming a Nature Buddy is a fantastic way to make a positive impact. You'll spend time outdoors, meet new people, and help others experience the joy of nature.

Whether you're assisting someone in exploring a local park, attending a nature-based activity, or enjoying nature from home, your support can make a world of difference.

Our goal is to establish a network of Nature Buddies across Dorset and we'll support you every step of the way with training and resources.

This is a Dorset National Landscape project.

We would love to hear from you if you're interested in volunteering as a Nature Buddy or setting up a Nature Buddy scheme in your organisation.
